

MOORGATE PRIMARY SCHOOL

Behaviour Policy

2

At Moorgate we believe that there are four basic rights for children.

1. To feel and be safe
2. To learn
3. To be treated with respect
4. To be included

Rules and procedures are there to protect these rights

With any rules come responsibilities.

Time should be taken to practice responsibility so that they become habit.

Visual reminders around school help to reinforce the message and protect the four basic rights.

Our policy will be founded on four basic shared rules.

Rule 1: To look after property and equipment, and treat other people with care.

Rule 2: To allow others to learn.

Rule 3: To speak politely and treat others with respect.

Rule 4: To ensure others are included
