

Early Years Pupil Premium Report 2016-17

Reporting to Governors on the use of Early Years Pupil Premium 2016-17

Total amount of Early Years Pupil Premium per term 2016/17 - £1780.80

Activity / Intervention	Cost	Timescale / Continuation	How is it monitored / impact
Communication and Language support worker employed as an additional staff member to work with targeted groups on a daily basis. Children are supported in all areas of learning but with a particular focus on Communication and Language.	£4,906	Interventions take place daily. Children are grouped according to their particular need.	Impact is monitored through data analysis at the end of each assessment cycle. This data will be compared with a child's on-entry data to measure attainment and the progress made.  The quality of these interventions will also be monitored through observation.
EYFS communication and language journey and monitoring tool.	£250	Monitoring tool to be completed on a half termly basis which looks at communication and language in more depth and highlights interventions for the children.	Impact is monitored through data analysis at the end of each assessment cycle. This data will be compared with a child's on-entry data to measure attainment and the progress made.
Nursery Narrative pack and EYFS training.	£200 £186.40 (PPG) £13.60 (School funded)	All EYFS took part in nursery narrative training and the pack was received. All classes to create nursery narrative packs and deliver these as intervention sessions with the children.	Impact is monitored through data analysis at the end of each assessment cycle. This data will be compared with a child's on-entry data to measure attainment and the progress made.  The quality of these interventions will also be monitored through observation.
Total Cost	£5356
