There is not enough notice given for school events.

We did:

We post a Calendar of Events which covers the whole academic year. This calendar is updated and posted at the end of each half-term. Upcoming events are also posted on Class Dojo.

Parents struggle with the two week half-term break as there are no holiday clubs in the first week.

We did:

LSC offer a holiday club throughout October half-term which is based here at Moorside. Contact us for more details.

Holding a parents evening in September is too soon into the academic year.

We did:

We hold a parents evening in September in order for you to get a better understanding of how your child has settled into their new class. We hold a second parents evening during the Spring term where there is a better understanding about progress.

Better communication of where to drop off and pick up your child at the start of the school year and for after school clubs.

We did:

We will post pick up and drop off points on Class Dojo at the beginning of every school year and when an after school club begins.
