

Monday 8<sup>th</sup> June 2020

Dear Parents/Carers,

I hope this finds you and your family well. I am writing to you to give you a further update relating to the postponement of wider opening until Monday 22<sup>nd</sup> June at the earliest.

I would like to apologise again for the very short notice you were given. The decision was only confirmed to schools a short time before you were informed on Friday. As a school, we were disappointed not be able to welcome back some children this week and am sure that children who were planning to return were also disappointed.

The current plan for potential phased wider opening will remain in place with a new start date of 22<sup>nd</sup> June at the earliest. As soon as I have any further confirmation or information regarding this I will inform you.

As the returning year groups will no longer be attending, teachers in those year groups are now preparing online home learning which will be live on the website by Wednesday at the latest.

We had already prepared lightweight home learning packs for those children in the returning year groups and to those families who have requested them for this half term. We will now extend this to those children who were due to return to school. These will go out shortly.

If you have any further queries, please do not hesitate to contact me.

Thank you for your continued support.

Take care.

Mrs M Taylor  
Principal
