# 1. Aims

The Enquire Learning Trust aims to meet its obligations with regards to school attendance by:

- emphasising that it is the responsibility of everyone in the Academy to improve attendance and punctuality.
- ensuring that all pupils access a full-time education which meets their needs and allows all to realise their potential.
- striving to provide a safe and caring environment where each child can engage in all opportunities offered.
- working with children and their families to ensure every child has good attendance and punctuality.
- challenging the behaviour of those children and parents/carers who give a low priority to attendance and punctuality.
- providing an effective system of communication with parents/carers together with appropriate agencies to provide mutual information and support.
- developing IT-based attendance recording systems in order to provide accurate information and to use suitable tracking strategies to recognise any trends that can damage good attendance and learning.

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly and will promote and support punctuality in attending lessons.

## **Our Academy**

### **What you can expect from Moorside Primary Academy:**

- We will promote good attendance and punctuality and will investigate any unexplained and/or unjustified absence.
- We will work closely with parents/carers where child's absence is cause for concern.
- We will support children to achieve good attendance and punctuality.
- We will support children returning to school after prolonged absence.

### **What Moorside Primary Academy expects from Children:**

- To attend regularly and on time
- To be punctual to all lessons
- To ensure that they register for all timetabled lessons and inform the Office where appropriate if they are not able to be registered.
- To ensure all messages and notes from parents/carers are taken to the appropriate place.

### **What Moorside Primary Academy expects from Parents/Carers:**

- To ensure their child attends the academy on those days it is open, dressed in full uniform and equipped to learn.
- To ensure their child attends every day the Academy is open unless they are too ill to do so.
- To avoid keeping their child away from the Academy for any reason other than illness or other authorised explanation (see overleaf).
- To avoid arranging holidays during term time
- To immediately inform the Academy Attendance Office / Academy if their child is unable to attend (by 9.00 am where possible), including the reason for absence and expected date of return.
- If no indication of a return date has been given, parents/carers should contact the Academy on each day of absence.

# 2. Legislation and guidance

This policy meets the requirements of the school attendance guidance from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- The Education Act 1996
- The Education Act 2002
- The Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006
- The Education (Pupil Registration) (England) (Amendment) Regulations 2010
- The Education (Pupil Registration) (England) (Amendment) Regulations 2011
- The Education (Pupil Registration) (England) (Amendment) Regulations 2013
- The Education (Pupil Registration) (England) (Amendment) Regulations 2016
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold. This policy complies with our funding agreement and articles of association.

### 3. School procedures

#### 3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.50am on each school day.

The register for the first session will be taken at 9.00am and will be kept open until 9.15am. The register for the second session will be taken in the afternoon and will close immediately after. Times vary according to year group.

#### 3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – at the earliest possible opportunity and by 9.00am at the latest or as soon as practically possible (see also section 6).

*You can do this in person, or by contacting school by calling 0161 370 3614 or send an email to:*

*[Admin@moorside-primary.org](mailto:Admin@moorside-primary.org). Please only send a message on Class Dojo as a last resort to your child's teacher.*

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

#### 3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. Evidence of an appointment should be brought to the school office so a copy may be viewed.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

### 3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

#### **Procedures for Lateness (including for Nursery children):**

- School doors open at 8.50am and registration is at 9am.
- If a child arrives after 9am but before 9.30am, they will receive a "late mark".
- If they arrive after 9.30am, they will receive an unauthorised absence for that session.
- In all circumstances of lateness, the parent must sign the child into the building they are usually in using the Entry Sign System. Parents must record the name of the child and give an accurate reason for the lateness.
- If a medical appointment card/letter is presented when a child is being signed in the child will receive a late mark which will not affect their attendance record.

Repeated lateness will be reported to parents/carers. Repeated lateness after the register has closed may be dealt with in the same way as absence. Parents/carers may be issued with a Penalty Notice or even prosecuted in the Magistrates Court. Authorised/Unauthorised Absence Authorised absence is where the Academy has given approval for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/carers may not authorise absence; only the Academy can do this.

### 3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

#### **Procedures for Attendance (including Nursery children):**

If a parent has not contacted school, it is the school's responsibility to contact home to confirm the reason for absence.

In the event of a child being absent without explanation from the parents/carers, school will make rigorous checks to ensure the child is safe. In the first instance, school will contact the primary contact on the child's data collection sheet. School will then continue through the list of contacts until confirmation of the child's safety and reason for absence is established. If school exhausts the contacts, school may visit the home and may consult with other known contacts such as neighbours. If school are concerned further, the Education Welfare Service, Children's Social Care and/or the Police may be informed.

If school are still unable to contact home a letter will be sent.

- In line with Tameside Educational Welfare Service's Children Missing Education Policy, if a child is missing school for no less than 10 consecutive days without explanation, they will be treated as a child missing education; this is investigated by Tameside EWS. N.B. This does not include nursery children. However, poor attendance may result in your child's place being offered to another child.
- If a child continues to be absent without contact, school will continue to pursue contact and will try to confirm where the child is through all links known to the family: this may also involve reporting to EWS, Children's Service Hub or the police.
- If the child is subject to a Child Protection Plan, the Social Worker will be informed of absence.

\*Nursery children's attendance is non-statutory and therefore referrals would not be made to the Education Welfare Service, however, for safeguarding reasons they must still be accounted for if absent. Therefore, the above procedure still applies. In addition to this if the period of absence is in excess of 10 consecutive days, consideration may be given to withdraw the place and offer it to another child.

### 3.6 Reporting to parents

Parents' Meetings Report (twice yearly) and Final Report will include attendance.

## 4. Authorised and unauthorised absence

### 4.1 Granting approval for term-time absence

Principals may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Principal's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Exclusion
- Exceptional family circumstances e.g. bereavement of close immediate family
- Involvement in a public performance
- Authorisation is at the Principal's discretion
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision
- Ofsted should not criticise schools for absences of Traveller children, providing the school can demonstrate that it:
  - has used the registration codes correctly
  - is strategic and proactive in communicating with Traveller parents about their travelling patterns on a regular basis
  - is strategic and proactive in ensuring excellent attendance when the children are not travelling
  - provides distance learning materials in accordance with good practice
  - provides Travelling families with the parent held education record before they travel
  - includes specific guidance for Travellers in the school's attendance policy and ensures the policy is accessible to parents
  - evaluates its provision for narrowing the gap in attendance for Traveller children in the school self-evaluation form
  - evaluates its provision for narrowing achievement gaps for Traveller children in the school self-evaluation form

### Holidays

Pupils **will not** be granted authorised absence for holidays during term time unless there is an exceptional circumstance (see definition section 4.1)

Unless authorised due to an exceptional circumstance, any holidays taken will be unauthorised and parents/ carers may be subject to legal sanctions.

### 4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the Principal, following the local authority's code of conduct for issuing penalty notices.

This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

### How we respond to Absence/Lateness

	Children have 100% attendance	Children who have 100% attendance will be given a certificate at the end of the year.
	Children have attendance above 95%	Children contribute to the weekly attendance award for their class. Each half term the class with the overall best attendance will receive a reward.
<b>ATTENDANCE FALLS BELOW 95% DUE TO UNAUTHORISED HOLIDAYS, ILLNESS OR UNAUTHORISED ABSENCE</b>		
Step 1	Letter 1 to inform of a low level of attendance.	95% is a start for concern. This letter is to inform and advise. It starts the beginning of an initial 3 week <b>monitoring period</b> .
Step 2	After 3 weeks of monitoring, attendance has still not improved, and/ or there are additional absences – Letter 2 is sent.	Letter 2 explains the reasons given for absence so far, and that this has led to an unacceptable attendance level. If attendance has dropped below 90% your child is now classed as a persistent absentee. It also states that unless there is a significant improvement, a meeting will be held in school to form an attendance action plan.  This is the beginning of a <b>second monitoring period of 2 weeks</b> .
Step 3	First attendance meeting.	If attendance remains below 90%, a meeting is called with the Attendance team. At this meeting, targets are set and an attendance action plan is formed with the family.  If the family do not attend, the plan will be made by school and sent home.
Case will be referred to Education Welfare as a record of poor attendance.		
Step 4	Letter to state that sickness must be evidenced.	If a child has attendance below 90% due to an unusual amount of sickness, this letter makes it clear that they will be marked as unauthorised absences unless there is a form of medical evidence. This could be medicine prescribed, a note from the doctor or appointment card.
Step 5	Second attendance meeting	If attendance is still below 90% after the attendance action plan, this meeting is held to make clear what the next steps are, and what letters will be issued after the meeting.
Step 6	First legal warning letter	This letter states that there are serious concerns regarding the child's attendance, and that, unless there is significant improvement the case will be referred to the magistrate for prosecution. <b>This begins the final monitoring period.</b>
Step 7	Final Legal Letter	This letter states that the school has referred the attendance case to the local authority, and that there is to be an intent to prosecute.
Step 8	Court Date	A court date is set. Evidence is filed, and a magistrate makes a decision. At this point, parents are able to present any mitigating circumstances – Including any relevant medical evidence.  All parties are informed of the court decision.

## 5. Strategies for promoting attendance

Weekly class attendance award in Friday's celebration assembly.

Half termly best class attendance award.

100% attendance acknowledged for the year.

## 6. Attendance monitoring

The attendance officer monitors pupil absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2) and indicate how long a child may be absent for.

If a pupil's absence goes above 5 days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continues to rise, we will consider involving an education welfare officer if appropriate.

The persistent absence threshold is 90%. If a pupil's individual overall absence rate is greater than or equal to 90%, the pupil will be classified as a persistent absentee.

Absence at this level is doing considerable damage to any child's educational prospects and we need parents'/carers' fullest support and co-operation to tackle this. Any child whose attendance has reached the PA threshold or is at risk of moving towards that threshold is given priority for intervention. Intervention will be via:

- An Attendance Meeting will be held with the Attendance Lead and/or a member of SLT where an action plan to improve attendance will be created which will involve an attendance panel meeting and referrals to other agencies alongside meetings between relevant Academy staff and parents/carers.
- Where parents/carers fail to co-operate with support and strategies provided by the Academy, further advice may be sought which could lead to legal sanctions being imposed.

Persistent Absence data is communicated to the relevant Local Authority via the School Census on a termly and annual basis.

**Staff work in partnership with the local Police, PCSO's and the EWO service to support pupils and their families who have become persistent absentees.**

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average and share this with the Academy Improvement Committees.
