Punctuality and Attendance

There are lots of children who are arriving late to school. This means that they are missing learning time in the morning as classrooms and work is set from 8:45am. It also puts additional pressure on office staff who have to accompany younger children to their classrooms at the busiest time of the day. Please do your best to get them in at 8:45am so they don't miss any crucial early morning work.

Play Equipment

Please do not let your children play on the outdoor play equipment including equipment which is set up in our Early Years area as this is the part of the children's learning for that day and is set up ready by staff. It can be slippery in certain weather conditions or requires some training before us. We would hate for any child to have an accident. Allowing your child to play on the equipment outside of school hours is entirely at your own risk.

Wishing all our families a lovely half term break!
