<b>Pupil of the Week</b>		
Nursery	Everyone!	I'm really proud of all the effort Nursery has put in this week. I've had some fantastic work sent via Dojo and I'm just blown away by the amount of effort they're putting in at home. Bubble's will be looked after by Mrs Taylor ready to go home with an extra special shiny star in January.
RM	Maddison	Maddison has found her voice during class discussions and has offered some very thoughtful answers. She has been listening carefully in maths and has been able to identify different ways of representing 5. She is a constant delight and a good friend to others. Keep up the great work!

RC	Bella	Bella has joined in with gusto and enthusiasm throughout the recording of our Christmas video to send home to parents. Alongside this she is a confident young lady who tries her best to help and organise others wherever she can. She always tries hard in whatever we ask of her and she is a pleasure to work with!
1F	Finlay	It's been a difficult, different week in Year 1 and I am so impressed with the way that Finlay has coped. Whilst we were still at school, I noticed Finlay putting in more effort into all his work, and even though the way we are working now is different, he is still putting in lots of effort! Well done Finlay, keep up the fanstastic work.
1B	Isla S	This week has been a challenge for year 1, but Isla has continued her learning at home the way she always does in school. She is putting in maximum effort, and producing beautiful work, as always. Keep it up Isla!
2T	Daisy	Daisy always has a smile on her face and is always ready to learn. She puts her best effort into everything she does and shows great pride in the progress she makes, often looking back at her own work to see how far she has come. Keep up the fantastic attitude Daisy!
2R	Rocco	Rocco has worked really hard this week. He has shown a great improvement in his math's work and even did some extra homework on number bonds! Really going above and beyond. Keep up the good work!
3R	Zack	Zack worked really hard on all his home learning while we were off and so this week he has come back to school ready to learn and to challenge himself. He is a great example for everyone in our class and always makes good choices. Keep it up Zack!

3F	Lona	Lona has been quietly working hard all this term, she is making great progress with her reading and writing and we have been dazzled by her attention to detail and super attitude to learning. You are a star Lona!
4B	Poppy P	Poppy has been chosen for her excellent presentation in books and pride in everything she does. Her books are exceptional and a pleasure to look at. Her attitude is fantastic and she is a year 4 role model.
4A	Harley	Harley is a fantastic member of our class. His conduct inside and outside of the classroom is excellent and is an example to the other children. He sets extremely high standards for himself and his work is of a consistently high standard.
5T	Michael	Michael has really worked hard and applied himself to all the tasks this week. He has been really sensible and a good example of how we should behave in the classroom. Michael has also been joining in and sharing his ideas and answers more readily and growing his confidence. Well done Michael-keep it up!
5W	Luke	For shining in maths with Mrs. Rosenbloom and showing some fantastic resilience with our Christmas activities when building nets. Luke has also been working really hard on Reading Plus and remembering his reading book too. Keep up the good work Luke!
6C	Amber	Fantastic work over the last 2 weeks whilst remote learning. Amber has worked incredibly hard every day, completing every task at Year 6 standards. We can't wait to have you back in the classroom.

6I/B	Olivia	Fantastic work over the last 2 weeks whilst remote learning. Olivia has worked incredibly hard every day, completing every task and going above and beyond with her learning. We can't wait to have you back in the classroom.
