

Principal's Award		I have chosen Curtis S in Year 6. Curtis is someone who always does the right thing and models all the Moorside Values to everyone else in school. He not only does this in our school but every week he goes to Droyslden Academy and shines there too! He is very proactive about his own learning and ensures that his work is the very best it can be – nothing but the best is good enough. That is an amazing quality in someone so young. Well done Curtis you make us all proud!
