Principal's Award	Jayden in Year 5. He used the computer to write a fantastic biography of Walter Tunn. He was able to tell me all about Walter's achievements in football and then as the first black officer in the army. It was careful and accurate work to be proud of.	Riley in Year 5 also did an amazing piece of writing about Walter Tunn and included a poignant quote about racial prejudice at the end. It was beautifully presented and the quality was as good as if he was in class. Well done Riley!
