I attended a Presentation Evening with Mylee and Miss Bambroffe at Manchester United this week. We were told about the level of commitment Mylee has towards her football training. Although she is busy training every evening and weekends, she still finds the time to manage her school studies and is a perfect role model to all other pupils at Moorside. Her personal qualities of hard work, dedication, aspiration and just being an all round good person who plays for her 'team' not only in football but in school is ensuring that she is the absolute best version of herself. I am positive you will achieve great things Mylee and we are very proud of you!</p>

Izzy Y

Izzy is a hard-working and conscientious student. She has a great sense of humour and contributes well to our learning. She even brought in extra WW2 artefacts from her grandad to help deepen our knowledge of the war. She has made a great start to the year and I hope it continues.
