A flying start!

The children have settled in well in their new classes and routines and are enjoying getting to know their new teachers. They are all working hard and enjoying being back with their friends and learning. They have also done a brilliant job of looking after our new teachers Miss Roberts and Mrs Cicchirillo. The children are looking very smart in their uniforms. Please continue to support school by ensuring that children are in correct uniform and PE kit. Please note, for health and safety reasons, earrings need to be removed for PE or covered with plasters.

Punctuality and Attendance

As you can see, our attendance is well below our target. We understand that some absences are unavoidable but more than ever it is crucial that you get your child in school and on time every day wherever possible. This will give them the best possible chance of achieving their full potential. If you have any concerns, please contact school and let us know how we can help. Please report any absences due to illness to Admin@moorside-primary.org

Children arriving late is also an issue with some classes having an exceptionally high number of late arrivals. Learning happens from the minute they enter school. Every late minute is a minute of learning lost. It is also disruptive to your child, office staff and to the rest of the class when children arrive late. Please get your child to school on time.

Flu Vaccinations

Flu vaccinations will be given in school on Tuesday 23rd November. This year, more than ever it is important that children receive their flu vaccination. If you haven't returned the form yet please do so as soon as possible.

Contact details

It is important to ensure that your contact details and consents are up to date so that you can be contacted as soon as possible if needed. If you need to change any information, please do this as soon as possible by emailing the office on Admin@moorside-primary.org.

The children have returned ready to learn and have produced some fantastic learning across school. Please take a look at our Twitter feed where class teachers will let you know about the great learning in school.

Play Equipment

Please do not let your children play on the outdoor play equipment. It can be slippery in certain weather conditions and we would hate for any child to have an accident. Allowing your child to play on the equipment outside of school hours is entirely at your own risk.

As always, any queries or questions, please contact school.
