Dress Festive for Kidscan on Friday!

Thank you for your generous donations in aid of Kidscan so far this week. Don't forget to dress festive on Friday and bring in a £1 donation. We will let you know in our January newsletter what the total amount raised is.

Contact Tracing over the holidays

Information regarding contact tracing has been sent from ELT to your email address. Only cases where symptoms develop within 48 hours of leaving school need to be reported to school.

Please only contact school using the school email address, **admin@moorside-primary.org** and only if symptoms develop within the first 48 hours after leaving school on Friday. Please include the following information:

- When symptoms started, or the date of the test if asymptomatic
- The test date/result
- When the child was last in school
- A contact telephone number

Dojo will **NOT** be monitored during the holidays so please do not send any urgent messages through Dojo. Dojo will only be used if needed, to inform parents/carers of any issues and a text will also be sent. You do not need to inform school of any isolations which affect a child returning to school until we return to school.

Contact details

It is more important than ever to ensure that your contact details and consents are up to date so that you can be contacted as soon as possible if needed. If you need to change any information, please inform us as soon as possible.

Merry Christmas!

Finally, all the staff would like to wish our families a peaceful Christmas and wish you all the very best for 2021!
