

Physical Education

This term we will be focusing on dance and sending and receiving balls. The children will be throwing and catching balls as well as developing their kicking skills. For dance the children will be counting in steps of 8 and using facial expressions to enhance

PSHE

In PSHE this term we will look at dreams and goals. This term our value is *Gratitude*. We will learn about differences. We will learn why it is important to respects others and their differences.

Mathematics

This term in Maths we will be partitioning numbers to 20 and learning the addition and subtraction facts for numbers 11-20. We will continue to practise our reasoning and problem-solving skills. The children will explore counting forwards and backwards to 100 as well as in 10s, 5s and 2s.

Computing

This term in Computing we will learn about how to control a physical device. The children will be using Beebots to execute a set of instructions using directional language.

English

This term our learning will be based upon the books *Poles Apart* and *Dear Greenpeace*. We will be continuing to write in a sequence of sentences and developing skills of joining sentences together using and.

Poles Apart

Year One
Term 3
2025

Religious Education

This term in RE we will be learning about Judaism. Our key question, which we will explore, is - How important is it for Jewish people to do what God asks them to do?

Geography

This term in Geography we will be learning the names of the seven continents and the oceans of the world. We will be finding these continents and oceans on globes, maps and in atlases.

Design Technology

This term in DT we will be exploring mechanisms. We will look at how to make pictures using lift the flaps, slides, levers and pop ups.

Science

This term in Science we will be continuing to find out about animals. We will learn about carnivores, herbivores and omnivores and the structure of different animals.

Music

We will look at stories through music. We will be singing songs, playing instruments and experimenting with combining sounds.

Dear Parents and Guardians,

Welcome back to a new term! We hope you had a great Christmas. This term our topic is based around a book called 'Poles Apart' by Jeanne Willis. It tells the story of a family of penguins as they travel the world.

Please keep on reading with your child regularly. We are really focusing on building up their fluency this term. It has been great to celebrate so many children reaching 50 reads over the past term. Spellings will continue to be given each week and the children will be given new words at the end of the week. The children will be tested on those words the following week and new words given.

Please can your child bring a PE kit into school. The P.E kit needs to consist of black shorts / joggers for outside, a white T-Shirt and daps / trainers. Our PE lesson on a Thursday is outside so please make sure your child has an extra hoodie or jumper to wear.

Please ensure your child brings a water bottle to school each day too.

If you have any questions please do come and speak to me or message me on Dojo.

Thank you for your ongoing support,

Miss Parmenter
