

### Computing

This term in Computing we will be exploring how we can create music in the digital world. The children will be using google music player to create their own rhythms as well as listening to other children's creations.

### Physical Education

This term in PE we are continuing with gymnastics. We will also be focussing on athletics. The children will be practising how to sprint and how to run for longer distances. Towards the end of the term, the children will be practising for their sports day events.

### Science

This term in Science we will be looking at the weather and the different types of weather we might see in each season. We will be thinking about the different signs of each season too.

### Art

This term in Art we will be looking at the artist Njideka Akunyili. Children will explore the techniques of using mixed materials to create texture. The children will be creating a scene using mixed media based on the work of Njideka Akunyili.

### Mathematics

This term in Maths we will be looking at strategies to help with recalling addition and subtraction sums up to 20. We will be doubling and halving numbers too. They will be counting in 2s 5s and 10s and linking these to multiplication and division.

### Geography

This term in Geography the children will be learning about the differences between the U.K and the Caribbean. The children will learn about the differences of climate, culture and food.

## The Pirate Cruncher and Clean up!

Year One  
Term 5

### English

This term we will be looking at the books 'Lost in the toy museum' and 'Tidy'. We will be learning to use the suffix est to compare things and recap using the suffix ed. The children are continuing to develop their independent writing and beginning to edit the work they have written. We will be retelling the story of the 'Lost in the toy museum'. And we will be writing instructions linked to the book 'Tidy'.

### Religious Education

We will find out about Islam. Our terms R.E question is Does going to the Mosque give Muslims a sense of belonging?

### PSHE

In PSHE this term we explore relationships. We will be discovering how families come in different shapes and sizes. We will discuss the importance of identifying conflict and how to resolve that.

### Music

In Music the children will be exploring live and recorded music. They will use different instruments to create a range of rhythm, tempos and pitches.

Dear Parents,

Welcome back to a new term, we hope you all had a great Easter break. This term our topic is based around a book called 'The Pirate Cruncher' by Jonny Duddle and 'Clean Up!' with a focus on the Caribbean.

For P.E, your child needs to bring their kit into school, please can this be named and in a suitable bag. Some PE lessons will take place outside so please make sure they have jogging bottoms, a t-shirt and either a hoodie or a jumper. Please also send your child with a named sunhat when it is warm.

Keep up the great work at home with the daily reading and spellings. Please can you read with your child 3 times a week including asking questions about the text.

Spellings tests will be carried out each Friday and new spellings given out.

We are working hard to improve our attendance. Please try to be on time every day and make appointments outside of school hours if possible.

Please continue to message us on Class Dojo if you have any questions or concerns. Thank you for your on-going support.

Miss Parmenter
