Visionary Victorians

Year 3/4 Term 2

English:
Choose a character from your favourite book and write a character description. Remember to use the English skills that you have learnt in class.

Science:
Using both your hands, investigate what shadow shapes you can make. Think about how the shadows were formed.

History:
You will have a Victorian experience in school. Write a diary entry about that day.

French:
Draw some coloured circles or squares and write down their French words.

Maths
Practise some subtraction sums using three-digit numbers. Remember to exchange when necessary.
Practise your times tables.

RE:
Discuss with your family at home what Christmas means to them when they were your age. How is this different or similar to your beliefs about Christmas (or a different celebration)?

Computing:
Have a go at making your own Stop Motion Animation. You will need something you can move, e.g. Lego, plasticine, and an electronic device to record your video on.

Art:
Can you make a printing block at home and use it to create some patterns in the style of William Morris?

PSHE:
Our value this term is Give. Create a poster explaining different ways to demonstrate the value of giving.
