

English:

Write a story based on a fairy tale character. You could write the original story with a twist - The Big Bad Wolf could be good or The Gingerbread Man is a girl!

PE:

Play a sporting game with your family involving a ball. It could be a game of football, rugby, rounders, tennis. Take photos and send to your teacher.

Science:

Make a diagram to represent a human skeleton. You could draw it or use objects (like spaghetti or straws) to create a skeleton.

History:

Research the Anglo-Saxons and make a poster about what you've learnt.

PSHE:

Write a list of people that you respect. Write, also, why you respect them.

French:

Create a poster of different animals and their French names. Can you find out the names of other animals?

Awesome Animals!

RE:

Create an information sheet about Hinduism. Type or write it into your home learning book.

Year 3

Home learning
Summer Term 6
2025

Music:

Choose a Music extravaganza song and perform it in front of your family. Ask your family to write down what they thought of it.

Maths:

Make up a question of your own and create a pictogram or a bar chart to show the results. Use Purple Mash and 2graph.

Computing:

How many different ways can you design a sprite? When you have designed a few, choose your favourite one!

Art:

Draw an animal that you've seen at home. It could be a pet or an animal who you often see outside.
