

English:

Create a short story about an eagle.
Use inverted commas for speech, exclamation marks and paragraphs in your story.

PE:

Practise dribbling a ball around different objects, e.g. cones, toys. Can you swap feet and dribble with your other foot?

Science:

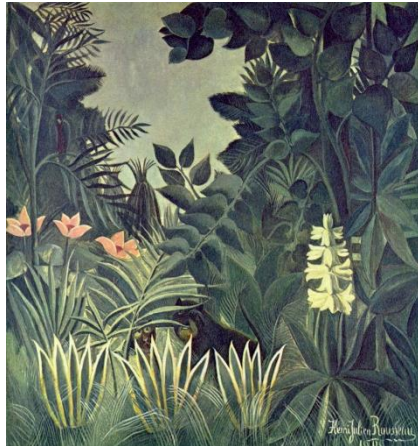

Go outside and see what types of plants you can see. Why not take some sketching paper, sketch that plant and then label it? Write down the jobs that each part does.

PHSE:

During each weekend, try and do at least one hour of exercise per day. You could keep a record of this in your home learning book.

French:

Write some sentences in French saying what you have (J'ai) and don't have (Je n'ai pas).

Forests and Plants

Year 3
Spring Term 4
2024

DT:

Create a bug hotel using natural materials. How will you join your materials together?
Use Google to find some ideas.

Maths

Practise, practise and practise the recalling of your times tables. Use www.timestables.co.uk to help.

Geography:

When you walk outside or when you are looking out of a car or home window, see if you can spot examples of human and physical features.

Computing:

Create your own branching database for a topic of your choice.
Use the following website to create it:
<https://www.j2e.com/jit5#branch>

RE:

Can you retell the Easter story to someone at home? You could create a short storyboard in your book showing the Easter story.
