

Sciences:

Design and label your own fossil using what you have learnt about them.

English:

Write a setting description of a place you have been (a park, a beach, your house, etc)

French:

Practise greeting someone at home in French.

PE:

Have a go with some of the PE challenges that you have done this term at home.

Art:

Use different types of media to create your own volcano masterpiece.

Vicious Volcanoes

Year 3/4
Autumn Term 1
2026

RE:

Create a poster to advertise your Mitzvah day activity.

PHSE:

Set your own personal goals for home. Eg. Make sure my room is always tidy.

Geography:

See if you can find out some of the major earthquakes that have happened in the past.

Maths:

Roll a dice three times to make a 3-digit number. Write down how many hundreds, tens and ones that number has. Repeat 10 times.
632 = 6 hundred, 3 tens and 2 ones.

Computing:

Make up a list of SMART rules that you should follow whenever you are using technology at home.
