

Geography

Make a 'messy map' of a room in your house. (An aerial perspective of the room using different materials.) Here is an example of our classroom.

Marvellous Me

Homework

English

Write about yourself. Can you write about your favourite food, best friend, toys? Tell us all about you.

History

Make a memory box and fill it up with your favourite and different memories. You can draw the memory or add an object.

DT

Can you reuse some recycled materials to make a character from Superworm i.e. cardboard boxes, plastic bottles.

Maths

Can you count different objects in your house?
How many objects can you find?
Can you make a number collection up to 20?

Reading

Please encourage your child to read every day. We ask that you write in their Reading Record book when they have read at home.

Each term we will be sending home a variety of homework which you can choose to do as well as weekly spellings and reading practice. Please complete at least 3 pieces. Bring any practical work or upload photos to class dojo by the 16th October 2023 to share with the class.
