

English:

Write your own story inspired by The Barnabus Project. Create your own creatures and use the skills you have learnt this term.

PE:

Create your own fitness circuit. What exercises will you include? How many of each exercise should be done? Make sure you include a warm up and cool down.

Science:

Create a digestive system using lots of different items in the house. You could use, scrap paper, dried pasta, coloured card, rice or paint. You also need to label each section with its name and function.

PHSE:

Draw a self-portrait and write down around it everything that is unique about you. You could talk about your family, any languages you speak, or any hobbies you do.

Maths:

With the MTC coming up next year for Year 4s, keep practising your times tables. Use www.timestables.co.uk to practise and keep improving your score in the practice MTC.

The Egyptians

Year 4 - Term 2
Homework Web
2025

RE:

Take some pictures of you celebrating a festival. This festival could be Diwali, Christmas or another festival your family celebrates.

Art:

Using your sketching skills, draw a landscape of your local area. Have a go at adding tone and texture to make your picture seem realistic.

French:

Tell an adult at home what French words and phrases you are learning this term.

Music:

Listen to some Ancient Egyptian music (there's lots available on YouTube) and write a mini review of the piece of music.

Computing:

Make a list of all the devices in your home that have a microphone and/or a speaker.

History

Create a presentation about the Egyptians. This could be a report, a PowerPoint, a poster or another way of presenting. Include lots of facts to show what you've learnt about the Egyptians.
