Topic

We are having some exciting visitors coming into Nursery this term. A PCSO will be coming into Nursery with their police car, which we will be able to sit inside! The fire service are going to be coming into Nursery during 'fire' week and the children will get to experience fun activities as well as see a fire engine! We will have a nurse visit us too and the children will be able to use and look at his medical equipment. We are also hoping for a visit from a local dentist too. There are lots of other whole-school events happening this term too so keep an eye out for letters/Dojo posts about these events.

Reading

We are launching our new reading initiative for children in Nursery, Reception and Year 1. I am super excited to announce that Nursery will be 'Buzzing about Reading' and the children will be able to work towards receiving special reading prizes such as certificates, personalised bookmarks and pin badges based on the number of times they read at home with you over the course of the academic year. More details will be shared on Class Dojo soon.

Class Dojo

Thank you so much to those of you who have uploaded photos of your family's traditions, your child as a baby, etc. We have really enjoyed learning about the heritage and history of some of our class so far. As shared on Dojo, we are gradually building up our class display on a large world map. If you are yet to upload photos to your child's portfolio, please do so when you can. We would still like lots of lovely photos of your normal family time together to share what you have been up to so please keep these coming in. If you would like help in uploading photos to Dojo, please send me a message.
