

Year 2 Homework - Term 2 Ideas

Pick an activity that interests you! Share your work on Class Dojo or bring it in for our homework celebration. Can all homework be brought into class or put on Dojo by Monday 15th December. These activities are just a suggestion. Feel free to make up your own activities or projects to complete at home and send us a photo so we can share your work. Thank you

Our Value: Give

Create a "Giving Tree" at home. Write or draw ways your family can give kindness on paper leaves and stick them to the tree. Have you done anything to help others or been involved in any charity work? Why not send us a photo of you giving back to the community or others and we will add it to our values display.

English

Design your own superhero toy. Give it a name, special powers, and write a short description. You could make a model or draw it.

Write a letter to Traction Man thanking him for a mission he completed in your house.

What happened to Monty and Monstersaurus? Their story ended with them heading off on an adventure - write about the adventure they had.

Maths

Play "Toy Shop" at home. Use real coins or make your own. Practise adding prices and working out change.

Go on a shape hunt around your home. How many 3D shapes can you find? Make a list or take photos.

Geography (Learning about the UK)

Create a map of the UK and label the four countries and their capital cities.

Make a UK landmark model such as Big Ben, Stonehenge or Edinburgh Castle using recycled materials.

Science (Materials)

Collect different objects from home and sort them by material such as wood, metal, plastic or glass. Which are natural? Which are man-made?

Test which objects in your home are magnetic. Make a list of what sticks to a magnet.

Art

Make a paper sculpture creature like we did in class. Add googly eyes or draw your own.

Create a Joan Miró-inspired surrealist picture using bright colours and shapes.

PE / Wellbeing

Create a family fitness challenge. How many star jumps, hops or skips can you do in one minute? Record your scores.
