Reading

We want **EVERY** child in Nursery to reach 50 reads and as many as possible to earn their 100 reads bookmark and 150 reads badge. Please ensure you are recording ALL your reading in your child's yellow reading record. This includes library books, home books and school books.

Class Dojo

Please keep uploading photos onto class dojo of what you have been up to at home. We share our news every week and the children love to have their news read out and like to add their own information. Thank you to those that have shared photos. A fortnightly update about weekends away or family visited is lovely to share.

Just a few reminders...

- Please ensure all uniform is named.
- Please ensure bottles are renamed too when they are washed off.
- Any more snack contributions are to be paid through ParentPay as soon as possible please, as well as Farmer Gow's payments.

As the weather gets warmer, please ensure your child is dressed appropriately for school. Bring in a named sun hat and please put sun cream on your child as they are often outside for a lot of the session. Your child must be able to apply their own sun cream but it would be much more preferable that you put sun cream on your child before they come into Nursery. Please ensure water bottles are brought into school as I am sure they will be drinking more.

Many thanks for your continued support.

Miss Godfrey
