

| | | |
|---|--|---|
| <p style="text-align: center;">Science</p> <p>We will be identifying different plants and trees. We will be looking at evergreen and deciduous trees and learning about the differences. We will create our own experiment to find out the structures of plants and identifying them.</p> | <p style="text-align: center;">Maths</p> <p>The children will continue to develop their number skills up to 100. We will begin to look at multiplication and division. We will be learning how to tell the time. We will be learning about fraction and focus on halves and quarters. We will be learning how to use positional directions.</p> | <p style="text-align: center;">English</p> <p>In English the we will be exploring the texts, 'Billy and the Beast' and 'Poles Apart'. We will be revisiting all taught skills so far and will be looking at adding 'es' to words and 's' to nouns and verbs. We will be writing a narrative and will also write a story with an alternative ending. We will start the term off by writing a character description based on our senses.</p> |
| <p style="text-align: center;">PE</p> <p>In P.E this term we will be doing striking and fielding games and net and wall games. We will be focussing on throwing with a target in mind, catching, rolling to a target and we will be beginning to understand how to play fairly and honestly. We will also be learning how to score points and keep a track of these.</p> | <p style="text-align: center;">Ready, steady, sow !</p>  <p style="text-align: center;">Year 1 Term 6</p> | <p style="text-align: center;">Computing</p> <p>Children will be on-screen programming through ScratchJr. Children will explore the way a project looks by investigating sprites and backgrounds. They will use programming blocks to use, modify, and create programs. Children will also be introduced to the early stages of program design through the introduction of algorithms.</p> |
| <p style="text-align: center;">Music</p> <p>We will be preparing for our music concert by practising different songs during singing.</p> | | <p style="text-align: center;">Art</p> <p>In Art we are focusing on using mixed media. We will be making a ship using a range of material.</p> |
| <p style="text-align: center;">RE</p> <p>In R.E. we are learning about Judaism. Our key question is 'Are Rosh Hashanah and Yom Kippur important to Jewish children?'</p> | <p style="text-align: center;">History</p> <p>We will be learning about Isambard Kingdom Brunel and the work he did. We will research information. We will be going on our trip to the Brainy, Brunel workshop.</p> | <p style="text-align: center;">PSHE</p> <p>Our Value this term is respect. We will learn what respect is and how to be respectful.</p> |

Dear Parents/carers,

Welcome back to our final term in Year One! This term our topic is called 'Ready, Steady, Sow!'

We have some exciting things planned for this term so please keep an eye out on Dojo for dates. We have our trip to Bristol on the train for our 'Brainy Brunel' workshop on Wednesday 19th June for 1CB and Thursday 20th June for 1JF - please refer to the letter for more information.

Sports day has been moved to Thursday 4th July, let's hope the sun shines for us!

The phonics screening check will take place during the week of 10th June 2024. Please continue to practise reading with your child. We will just be telling the children that we are doing some reading of real and alien words and we will do this at a pace that is best for each child.

P.E will still be on Tuesday's and Thursday's this term. Thursday PE lessons will take place outside so please make sure they have labelled shorts/jogging bottoms, a t-shirt, jumper and daps/trainers.

Please continue to read with your child 3 times a week including asking questions about the text. Please write in your child's reading record books so that they can work their way up to 50/100/150 reads. The spelling test will be carried out each Friday and new spellings given out.

We are working really hard to improve our attendance. Please try to be on time every day and make appointments for outside of school hours if possible. The school day is 8:30am – 3:30pm.

As the weather gets hotter, please remember to send your child into school with a named summer hat and a drink. Please apply sun cream to your child each day and if needed children can apply their own sun tan lotion throughout the day but please note we are not able to help them with this. Please ensure children come to school with a coat each day as the weather can change very quickly.

Please do come in and see us if you have any questions or concerns over the term.

Thank you for your on-going support 😊

The Year 1 team.
