

English:

This term, the children will be studying the 'The Iron Man'. They will be exploring how to use a range of noun phrases for a setting description. They will also look at how to use coordinating conjunctions to extend sentences. The children will learn how to use apostrophe for contraction and write a diary entry.

Science:

This term, the children will be learning about rocks and fossils. They will explore the different types of rocks and the different properties that make up rocks. They will also look at how fossils are formed and have a go at making their own fossil.

French

This term, the children will learn how to greet someone and how to introduce themselves in French. They will also ask and answer questions about their feelings in French.

Music:

This year, the children will take part in weekly ukulele lessons. The ukulele lessons will be delivered by someone from the Swindon Music Service.

PE:

PE this term will be based on the two topics:
Outdoor Adventurous Activity
Children will learn to develop co-operation and teamwork skills.
Fundamental skills
Children will develop their balancing skills.

Art:

The artist Joseph Wright, will be the inspiration for Art this term. The children will learn to build up layers in their work using different techniques such as splattering and the mixing of primary colours to create new colours.

Year 3/4
Autumn Term 1
2026

RE:

This term, the children will be exploring the key question, 'What is the best way for a Jew to lead a good life?'

PHSE:

In PSHE this term, the children will be able to identify self-worth and set personal goals for challenges, identify how actions affect others and why rules are needed.

Geography:

The children's Geography learning this term will include the describing of key aspects of physical Geography including volcanoes and earthquakes.

Maths:

This term, the children will focus on number and place value work. This will include work on recognising place value as well as writing numbers in words and being able to read numbers up to 1000. They will compare and order numbers up to 1000 and consider how numbers can be represented in different ways.

Computing:

In Computing this term, the children will learn how digital devices work and what parts make them up. This will lead to children knowing how computers and digital devices are connected as part of a network.

Vicious Volcanoes
