

### English:

This term, we will be exploring 'The Lion and the Unicorn' by Shirley Hughes. We will be re-writing the story by using subordinate clauses, expanded noun phrases, character descriptions and fronted adverbials.

### PE:

For PE this term, we be exploring a range of fitness and athletic activities. Children will be practicing their skills ahead of Sports Day!

### History:

In history, we are exploring World War II. We will be looking at timelines, understanding which countries were involved as well as looking at the Battle of Britain in detail.

### PHSE:

This term in PSHE our topic will be 'relationships'. We will be learning to understand the roles, responsibilities and expectations for family members. We will also be learning to recognise the work of others around the world and its impact.

### Maths:

For Maths, we will be exploring decimals numbers so that we can recognise decimals up to 2 decimal places. We will be learning to compare, order and round decimals and be able to apply these using pence and pounds.

# Rule Britannia

Year 4  
Summer Term 1  
2024

### DT:

In DT this term, we will be cooking various products that would go well in a picnic. We will explore what seasonality is and use this to add flavour to our products.

### French:

In French, we are going to be revisiting how to say animals and how to describe these using adjectives, personalities and opinions.

### Music:

Children will be continuing to learn the recorder ahead of the summer concert. They will be using what they have learnt so far to help them with new songs.

### Computing:

This term we are using software to edit images. We will be discussing the ethics around editing images and understanding where it is appropriate to do so. We will use layering, cropping and other features to change images.

### Science:

For Science this term, we will be exploring sound, how it is made and how we can hear it. We will explore how we produce different volumes and pitches. We will also look at how we can reduce sound levels by creating our own ear defenders.

### RE:

For RE this term, we are exploring the best ways for Jews to show their commitment to God. We will be looking at Bar Mitzvahs and Bat Mitzvahs and their importance to Jewish people.
