The Living World

English:
English this term will be based on the book 'Ocean Meets Sky' by the Fan Brothers. We will using taught skills including conjunctions, correct punctuation for speech and fronted adverbials with commas to help us write a story.

PE:
For PE this term, we will be learning how to play handball and rounders. Children will practice the technique needed to hit the ball as far and as accurately as they can.

Science:
For Science, we will be learning about living things. We will explore what is meant by an ecosystem and a habitat along with what happens to all the living things in these environments when they undergo changes. We will also look at food chains and what disruptions can happen within these food chains.

Geography:
For Geography this term, we will be exploring different features of physical geography. We will look at what the water cycle is as well as learning how the earth is made from tectonic plates.

PHSE:
This term in PSHE our topic will be 'Changing Me. We will be discussing how bodies change over time and how to develop a positive mentality during changes.

Maths:
For Maths, we will be exploring and converting units of measurement including time, mass and distance. We are then focussing on geometry and statistics.

RE:
For RE this term, we will be looking at how and why Christians worship and how important the church is to Christians.

Year 4
Summer Term 6
2024

French:
In French, children will continue to learn the names for animals as well as opinions and descriptions.

Art:
For Art this term, we will be exploring Kay and Kim Vaudin who are two artists that paint different underwater scenes. We will look at how to create a piece of work inspired by the colourful artwork they produce.

Music:
This term the children are learning some new songs and practicing their recorder skills ready for the Music Extravaganza!

Computing:
In computing, we will be creating and programming our own game using Scratch. We will look at how to use repeat functions and other tools to create a fun and interactive game.
