

English:

In English this term we will be exploring the story 'Leon and the Place Between' by Angela McAllister. We will be using speech, subordinate clauses and descriptive language for setting.

DT:

In DT this term, the children will be creating light boxes. The children will design and create their own light boxes and evaluate what they have made. Children will also use their knowledge of circuits to create a light source for their box.

Maths:

For Maths, we will be exploring and converting units of measurement including time, mass and distance. We are then focussing on geometry and statistics.

Music:

This term we will learn to sing some new songs and refine our recorder-playing skills, ready for the Music Extravaganza!

PE:

For PE this term, we will be doing rounders and tag rugby. In rounders, we will learn the skills of bowling the ball with accuracy and consistency. In tag rugby, we will understand the rules of playing the game and learn how to stop the other team from scoring.

Science:

For Science, we are learning about electricity. We are going to be making circuits using the equipment, testing to see what works and doesn't work. We will be learning about conductors and insulators. We will also be learning about what an appliance is and what appliances we have at home.

PHSE:

This term in PSHE our topic will be 'Changing Me. We will be discussing how bodies change over time and how to develop a positive mentality during changes.

Zap!

**Year 4
Term 6
2025**

Geography:

In Geography this term, we are going to learn about hemispheres, climate zones and topographical features of the UK. We will also explore and learn how to use atlases as part of our learning this term.

Computing:

In Computing, we will be creating and programming our own game using Scratch. We will look at how to use repeat functions and other tools to create a fun and interactive game.

French:

In French this term, we will learn the French names of some zoo animals along with their habitats and we will also revise some French adjectives learnt in the past.

RE:

For RE this term, we will be looking at how and why Christians worship and how important the church is to Christians.
