It's Time to Celebrate!

Year 1 - Term 2

Topic Web 2026

English

We will be focusing on the books 'The Gingerbread Man' and 'Stickman.' We will be continuing our learning by using capital letters, full stops and finger spaces. We will use these skills to write a character description and a story recount.

Mathematics

In maths, we will be counting to 100. We will also be adding and subtracting numbers up to 11.

Science

We will be learning to classify animals. This will include identifying and naming animals, exploring their similarities and differences.

PSHE

We will be learning about celebrating difference. The theme for this term is 'Give' focusing on the values of kindness, generosity, and gratitude.

Art

In art we will be exploring the medium of clay, using a range of techniques to make a tea light holder.

Music

In music, we will be learning a range of Christmas songs altogether ahead of a Christmas church visit.

Computing

In Computing, we will develop understanding of digital media. We will explore digital painting inspired by artist Henri Matisse, focusing on bold shapes, vibrant colours, and digital design tools.

Religious Education

We will be learning about the question 'What is Christmas?' We will look at this from a Christianity perspective.

Physical Education

In Physical Education, we will be looking at our ball skills and yoga through engaging in a variety of games and exercises.

Geography

We will be exploring seasonal weather patterns in the UK and hot and cold countries as well as learning how to use a compass.
