

Science

This term in Science we will be finding out about animals. Year One will identify and name a variety of animals (including fish, amphibians, mammals, reptiles and birds)

Computing

This term in Computing we will be exploring the technology around us and how to use it safely. The children will be exploring the classroom and school to find devices which help us in our everyday lives. The children will start to develop their typing skills.

English

In our English lessons we will be focusing on full stops, capital letters, finger spaces and adjectives..

Physical Education

This term we will be focusing on the fundamentals such as running and jumping. Your class teacher will let you know when your PE days are.

DT

This term we are going to be using different tools to construct, measure and cut different materials to create a dinosaur inspired by our history topic of Mary Anning.

Mathematics

Year One will follow the Year One Maths National Curriculum working on numbers to 50.

Year One
Term 1
2024

History

This term in History we will be finding out about the life of Mary Anning and her importance in the field of palaeontology. We will find out how fossils are formed and how they have helped our understanding of dinosaurs.

Religious Education

This term we will be learning about how we should care for others and the world, and why this matters. The children will have the opportunity to discuss and debate their views and this will link to all Religions.

PSHE

In PSHE this term, we will be focusing on 'Being me in my world'. We will identify some of our hopes and fears for the year and know who to ask for help when we need it. We will explore the rights and responsibilities for being a member of our class and school. Children will listen to each other and share their own ideas about rewards and consequences. Our value this term is Kindness.

Music

Year One will explore body percussion and look at playing different musical instruments in time.

Dear Parents/carers,

Welcome back to a new school year! We hope you had a great summer holiday. This term our work will be based around the book 'Gigantosaurus' by Jonny Duddle.

Classes have two PE lessons a week. Your child's PE lessons will be on a Tuesday and a Wednesday. There are often opportunities for extra PE sessions in the week so please make sure your child has a named PE kit in school each day.

Keep on reading at home and record when your child reads to you in their reading record book. We will be continuing our reading rewards - When your child reads at home 50 times they will receive a certificate. When they read 100 times they will earn a bookmark and when your child reads 150 times they will get a special badge.

Homework is based around our topic. Please select from the homework ideas and complete one or more of your choice. Homework can come into school or photos can be uploaded onto class Dojo.

Thank you to everyone who has already paid for Jonathan's Jungle Roadshow. Please make sure you give your consent on Parent Pay by 30th September.

Please make sure your child's name is written on all of their belongings so they don't lose them. Please can your child have a drink's bottle in school. We try our best to ensure the children look after their things and each child has a drawer and a peg to use.

If you have any concerns or questions please come and talk to us or message us on Dojo. Please remember that we aren't always able to reply instantly but we will endeavour to reply as soon as we can.

Thank you for your ongoing support
