

Science We will be learning about the human body. We are learning about our senses and our life cycles. This will include investigating each of the five senses.	English In English we will be focusing on the books 'Owl babies' and 'Little Red Hen'. We will be continuing our learning from Reception to form sentences, use capital letters, full stops and finger spaces. We will use these skills to write a recount and setting description.		Maths In Maths we will be re-visiting our number knowledge to 20, place value, doubling, addition and subtraction. We will also be playing games and writing our digits.
PSHE <u>Being Me and My World</u> We will be learning about what makes the children special. We will also be learning about our class rules and making the right choices. Our theme for this term is 'Keep learning', focusing on the values patience, perseverance and curiosity.	All about Me!  Year 1 - Term 1		Computing In Computing, we will develop understanding of technology and how it can help us. We will become more familiar with the different components of a computer by developing keyboard and mouse skills, and also start to consider how to use technology responsibly.
	RE We will be learning about 'What makes people special?' We will focus on this question from a Christian and Judaism viewpoint.	PE In P.E we will be looking at our 'Fundamental Skills' and working on our teambuilding skills through a variety of games.	DT We will be learning different ways to join materials together. We will combine materials that are cut, torn and glued. WE will then use these skills to create a 3D model.
History We will be looking at the past and present and children will be sequencing events from their own lives.			Music We will be looking at a range of instruments; hearing what they sound like and learning what they are called. We will also be singing songs together.
