Wednesday 23rd February 2024

Dear Parents,

Next term, our topic is all about growing and animals. We will start off by looking at small animals such as minibeasts and then as the term goes on, we learn about larger, wild animals.

As part of this topic, I have booked a visit from Zoo Lab on Wednesday 8th May at 9.15am. This visitor is very exciting as they will bring animals into Nursery! The ranger brings in lots of different reptiles and invertebrates for children to see, and if they want to, hold/touch. It is a very exciting opportunity for the children, I am sure you will agree!

This experience does require a payment of £10.10 each. The cost is set up on ParentPay for you to pay. The deadline to pay is Wednesday 27th March. If we don't receive enough payments, then your child will not be able to partake in the experience.

Any questions, please message me on ClassDojo.

Thanks,
Miss Godfrey
