

### Pupil Premium EYPP Strategy Statement 2022/2023

What will the money be spent on?	Why have you chosen this?	How much will it cost?	How will it benefit the EYPP children? Which of the EYPP children will it benefit?	How will it benefit the setting?	How will you know it has made a difference?
Buying equipment to start an Early Years woodwork area.	<p>Staff have been on WHF woodwork CPD run by Pete Moorhouse and would like to set up a woodwork area in our Early Years.</p> <p>Our Baseline/Data Point 1 shows that in both Nursery and Reception, it is Physical Development,</p>	We plan to spend our full allocation of £342.00 on woodwork tools.	A staff member has received training and attended the woodwork CPD workshop. They will disseminate this to all Early Years staff. Once set up, all children will be able to access this resource.	According to evidence from the EEF, Overall, the average impact of arts participation on other areas of academic learning appears to be positive but moderate, about an additional three months progress.	We will track the children's progress from their starting points. The nursery and reception teachers will make regular assessments of where the children are. Pupil progress meetings will occur regularly throughout the year and gaps identified.

	particularly fine motor that has the lowest percentage of children on track.			Improved outcomes have been identified in English, mathematics and science. Benefits have been found in both primary and secondary schools.
