# Sports Day

Dear Parents/Carers,

Our Sports Day will be held on **Thursday 9<sup>th</sup> July 2026**. The format will remain the same as previous years:

**Nursery, Reception, Year 1 & Year 2: 9.00am – 10.30am**

**Year 3, Year 4, Year 5 & Year 6: 10.30am – 12.30pm**

As usual, there will be a designated area for family members to watch the races – please ensure that you remain in this area so that children can concentrate on participating (do not cross through the bunting). This also helps staff to keep all children safe and accounted for. We will not be able to provide seating but you are very welcome to bring your own chairs and/or blankets to sit on. For your information, the finishing line for all races will be at the end of the track closest to the MUGA. We will move the start line up/down the track for different races/ages.

Children will be competing for points for their houses. Therefore, they should wear their usual **black PE shorts/bottoms**, but the appropriate coloured t-shirt for their house:

**St Andrew = blue**    **St David = yellow**    **St George = red**    **St Patrick = green**

Children should wear these clothes to school on the morning of Sports Day. They will need appropriate trainers to race in. For safety reasons, long hair must be tied back and all jewellery removed (earrings can be covered with tape if necessary). Please make sure that children have sun hats and sun cream if the weather is hot. Water bottles will be required too.

Refreshments will be available for spectators to purchase – cash only. All proceeds will go towards our 'Friends of Moredon' fund. Pupils will not be able to buy refreshments during the event – they will have their usual morning snack. However, pupils can bring 50p into school to purchase an ice pop later in the day.

Unfortunately, due to tight timings, we no longer hold a parent/carer race (apologies for any disappointment this causes!).

If Sports Day is unable to go ahead on the planned date due to bad weather, we will do our very best to rearrange. We will let you know ASAP if this is the case.

During the afternoon, pupils will take part in field events such as high jump and javelin. The points from morning track races and afternoon field events will be added together and we will let you know the overall winning house the next day.

Finally, please remember that Sports Day is a fun event. We encourage healthy competition but also recognise the importance of pupils' participation and sportsmanship.

We're looking forward to sharing a great day together!

Thanks, as always, for your continued support.

Miss Carter  
PE Lead
