

Morton Primary School

Art Intent

Child Friendly Tagline: To create and imagine.

At MPS, our Art curriculum is knowledge rich and ensures that key skills and **vocabulary** are reinforced in **meaningful contexts**. Key strands are deliberately constructed so our children's artistic skills and knowledge are built upon each year. Our children will be immersed in **creative experiences** that **foster risk-taking, self-expression and cultural understanding**. We will achieve this through **reflecting on important art and artists** from around the world and throughout history, learning the knowledge and skills needed to express themselves in a variety of mediums. To promote pride and confidence, we will **celebrate and showcase all children's artistic talents** to foster a **lifelong love of imagination** and creativity.
