

Morton Primary School Early Years Intent

Child Friendly Tagline: We love to learn through play.

At MPS, we recognise the importance of giving our children the best possible start to their education by planning and implementing **teaching and learning opportunities** that support them in reaching their full potential. We understand the crucial role that Early Year's education has to play in providing firm foundations upon which the rest of a child's education is successfully based. It is our intention to provide a broadly enriched, rounded and stimulating learning environment, indoors and outdoors, where children can **work with adults and peers** in a climate of mutual respect to develop confidence in their **ability to learn**, the social skills necessary to learn and the emotional capabilities to enable them to understand their feelings and to **solve problems**. This will enable them to develop the skills, attitudes and understanding that will form the basis of lifelong learning and encourage them to become useful, **active members of a diverse and constantly changing society**.
