PE Intent

Child Friendly Tagline: Healthy mind, body and lifestyle.

At MPS, our PE curriculum is knowledge rich and ensures that key skills and **vocabulary** are reinforced in **meaningful contexts**. This is achieved through **first-hand experiences** and our **authentic outcomes** that allow children to overcome personal barriers. Skills are deliberately constructed so our children's physical development is progressive and is built upon each year through **high quality PE opportunities**. Children have the opportunities to compete in **inter and intra competitions** that encourage teamwork, determination and enjoyment. This allows the children to understand the importance of physical activity and the legacy that it has on **long-term fitness** to enable them to live a **healthy lifestyle**.
