

Morton Primary School PSHE Intent

Child Friendly Tagline: Making choices for happy, healthy lives.

At MPS, our PSHE curriculum is knowledge rich to enable the children to **make informed decisions** about their wellbeing, health and relationships and to build their self-efficacy. This is achieved through **first hand experiences and authentic outcomes**. RSE knowledge and skills are deliberately constructed so our children's knowledge is built up year on year. This enables children to put this into practice, **using appropriate vocabulary**, as they develop the capacity to make sound decisions when facing challenges, risks and difficult situations **both now and in the future**.

At Morton Primary School...

Purposeful to give meaning and value to our learning which prepares us for our next steps.

Experiences that widen our opportunities, challenge us and allow us to see the wider world.

Targeted vocabulary and high quality texts means we become language rich.

Strive to create aspirations for ourselves, our family and our community, whilst reflecting on the difference we are making in society.

...we **STEP** into our curriculum!
