

Morton Primary School Reading Intent

Child Friendly Tagline: Read to Succeed.

At MPS, our reading curriculum is designed to foster a love for reading that will enable **children to transfer the skills learnt across the curriculum and beyond**. We will achieve this by developing a child's reading ability to ensure that key skills and **vocabulary** are reinforced. Key reading strands are deliberately constructed so our children's word reading (including phonics), comprehension skills and knowledge are built upon each year. Our children will be immersed in a variety of reading **experiences and meaningful contexts** that are aimed at promoting pride, confidence and enjoyment in reading.

At Morton Primary School...

Purposeful to give meaning and value to our learning which prepares us for our next steps.

Experiences that widen our opportunities, challenge us and allow us to see the wider world.

Targeted vocabulary and high quality texts means we become language rich.

Strive to create aspirations for ourselves, our family and our community, whilst reflecting on the difference we are making in society.

...we **STEP** into our curriculum!
