Headteacher: Mrs Erika Thornhill

5th September 2022

Dear Parents/Carers

WELCOME BACK!

I do hope that you have all had an amazing Summer break enjoying the wonderful weather and making some fabulous memories as families.

Now it is time to return to school and start the next academic year. There will be lots of exciting things happening for the children in their new classes over the next term.

Can I say a very special welcome to those children and families who have started Morton Primary School today. This might be their very first day in Primary school or they could have joined us from another school. Whichever it is I know that you and your child/children are going to enjoy being part of our wonderful school community.

I would also like to say an official welcome to all of our new staff:

Mrs Baines is the new Class 3 teacher, Mrs Roberts the new Class 2 teacher (She was with us last term too!)

Mrs Ward is our new Business Manager who will be happy to answer any questions you have, sort out any paperwork etc.. just give school a ring and she will be very happy to help.

As you already know Morton Primary School is going to become part of the Djanogly Learners Trust possible as early as the 1st December. This is a very exiting time for the school but also creates a few anxieties. Change will be good for us, but it also makes staff a little nervous as we move across the become an Academy. I am also sure that as parents there may be questions that you have and with that in mind I have organised a parents meeting on Monday 19th September at 6pm with Liz Anderson who is the CEO of the Trust.

This will be an excellent opportunity to hear about what the values of the Trust are and how they will support our children, staff and the wider community. It will be an opportunity to ask any questions you might have.

I will be sending out a Newsletter at the start of next week with any dates for your diary and a reminder about the importance of regular attendance.

From both the Morton staff and myself we are all really looking forward to supporting you and your child/children and working together during the next school year.

Finally, if you have any questions then please ask the staff or get in touch if you need anything at all.

Look out for the Newsletter next week!

Mrs Thornhill
