Parents Information Letter February 28th 2020

Sports Relief/World Book Day

Sports Relief takes place on Friday 13th March and we are allowing the children to come dressed in sports clothes that are appropriate for the weather on this day. We are asking for a small donation for this that will be passed onto Sports Relief. The day will be based around a number of sports activities.

Because we are collecting for Sports Relief we have decided **not to dress up** this year for World Book Day. This takes place next Thursday 5th March and although we are not dressing up we will be covering a variety of activities around books and reading.

Corona virus

We are taking advice from Gov.UK and school will remain open until we are given any different advice to this.

Parents Evenings

These are scheduled to take place week commencing 27th April with further information to follow before the Easter break.

Swimming Gala

Congratulations to our swimmers who came 3rd in the Large Schools Swimming Gala on Wednesday despite the fact we are actually only a small school.

Parent Hub

We would appreciate it if you could download the app for Parent Hub so when we send out messages to parents they are free of charge. At the moment we are charged for every message we send out that does not go to the app.

Term End/Start Date

Friday April 3rd is the last day of term with children returning to school on Monday 20th April.
