4th November 2020

Dear Parents/Carers

### Breakfast and After School Club Price increase

In order to make sure that the clubs continue to run 5 days a week we have been reviewing our pricing structure.

We haven't had a price increase for several years now, but with rising costs in staffing, food etc we feel that in order for us to maintain the service at the same level we must now apply an increase of 25p per session.

### This will take effect from Monday 9th November 2020.

The prices will be as follows:

Breakfast Club Session	7:45am—8:30am £4.25 per child per session—including breakfast
After School Club Session	3:00pm—5:45pm £7.25 per child per session - including tea.
Late drop off Breakfast Club	£2.25 per child per session. This is for children not requiring breakfast but arrive at school between 8:15am and 8:30am.
Early collect from After-School Club	£2.25 per child per session. This is for Children who need to attend the club but do not require a meal. Charges apply up to 4pm. After this time the charge will be £7.25.

Yours sincerely

KEVIN FLINT  
Executive Headteacher  
Morton Primary School  
Stretton Handley CE (Controlled) Primary
