

MOSSY LEA MESSENGER

Friday 1 November 2019 | · XI · MMXIX

It's a quiet one this week! Welcome back everyone to what will be another great term with us at Mossy. At great term where the kids will thrive, and so will the school. The relationship we have is great—and both Antonella and myself will do our very best to maintain, and improve this! WE will do that not by giving you everything you want, that would be silly, we will do it by giving you our very best. I promise you that. I love Mossy Lea, I hope you do, I know your kids do... And I hope others join us very soon.

We had governors in school again last week, who were full of praise for the work that's gone on.... Even Judith!

This term will be no less impressive. Lyndsey has set up the new role play for our reception kids—it looks great, John is helping us out with the chickens, which is a God send... Especially to Mrs Elms, and Antonella has been spending money on the outdoor area for reception... Keep your eyes peeled for massive improvements there, and I know Gill keeps us all on the straight and narrow—which we all appreciate! Thanks Gill!

Dates for diary!

Well, Antonella and ourselves are getting to grips with the Website, so all dairy dates will be posted on the website now, and on the app.... Much more details to come so that we can all make the best use of it! But for now, download the app please.

Schudio

And put the post code in for mossy lea

WN69RN

And then there you have it... everything about us

Either myself or Antonella is out on training mid November, whence we will be making full use of the website!

Homework Menu

The new homework menu will be out tonight. The homework menu is a brilliant way of keeping up to date with what your kids are learning, and how you can support them at home. Its far better than work sheets, and give you, and the kids flexibility over what to do and when. The benefits of this more flexible and practical approach to homework are without question; that said we do rely on your support.... Without your support at home the homework is devoid of impact. . SO please, pin it up on the fridge, and crack on with it. Returning by the due date, so that we can celebrate and share the homework in school.

Admissions—come and see the school in action!

If you have a child who should start school in September 2020 please ensure that you have read the admissions process on the website at school, book an appointment and come and see us! We won't be holding "open days" as such. Any fool can put on a show.... choosing a school is a massive decision; I want you to meet me, and see our school. Not meet a polished, scripted me and a show. Come and see. We're great. It's time to come back to Mossy Lea.
