

MOSSY LEA MESSENGER

Friday, 14th February 2020 VII · II · MMXX

Good afternoon all!

It has been another great half term here at Mossy Lea. We have come to the end of our 'Cracking Contraptions' unit and the children have thoroughly enjoyed the activities, especially the visit from the Iron Man. I have been very impressed with the efforts made with the homework this half term, especially the junk robots. Well done, children (and family members for the support!). I am sure that next half term will be equally engaging.

The children haven't been set any holiday homework, however, if you manage to have a go at any of the following activities, you can earn a Dojo point for each one. Just send me a Dojo message and maybe an accompanying photograph:

- Spend time outside—go for a walk, to the park, playing.
- Have a family meal at the table, without any electronics (including the TV).
- Help cook a meal.
- Go swimming.
- Make your bed!
- Be kind—give someone a complement, help do the dishes, push the shopping trolley.
- Make a den out of duvets and blankets and read a book inside it.

Most of all, relax and enjoy your time off.

All the best, and many thanks for your support, as always,

Antonella

World Book Day

On Tuesday, 3rd March we will be celebrating World Book Day. We will be off timetable all day, enjoying a raft of activities, crafts, art and drama—all centred around reading. We will even have a visit from an author.

The children are invited to come into school dressed as anything linked to a book of their choice: they could be a character, a setting, an object or even a word that they find interesting.

Swimming for Year 5 On Tuesday, 25th February, immediately after half term, we will be starting our swimming lessons at Chorley All Seasons pool. With St. George's These will continue until the end of the school year and there is no extra cost to yourselves

All Seasons' Leisure Centre require all children to wear swimming hats for school swimming lessons. Girls will need a one piece swimsuit and boys a pair of trunks (not baggy or knee length shorts). If you would like your child to wear goggles during the lessons please send in a letter requesting this.

All children will be involved in the swimming lessons regardless of their current ability and will be grouped appropriately after an assessment during our first session.
