

# MOSSY LEA MESSENGER

24th May 2019 XXIV · V · MMXIX

We are nearing the end of term and we are still full on with teaching the curriculum to our super children.

The Y2's had an amazing experience at Bibby's Farm last week, they all challenged themselves and had a fantastic time. This is a prime example of the successful collaboration with St George's. Thanks to the staff at St George's who gave up their own time to make the residential possible.

Rearranged sports day takes place tomorrow starting at 1.30pm. The weather looks great so please don't forget to apply sun cream at the start of the day on your children. If you can, please attend and support the event. Remember trainers and a sunhat for your children

## **Swimming**

We have two more swimming sessions tomorrow and the last day. Don't forget your kit.
