

MOSSY LEA MESSENGER

Friday 15 November 2019 XV · XI · MMXIX

What a gorgeous day! I love autumn! It's the season that never disappoints does it?

Well, as mentioned last week, the developments of the reception and infant play area have now begun. There's a few more things to build and erect yet, but progress is being made! Thanks to John, and to Tony, Antonella's dad, for all their hard work in building the stuff. I really appreciate it! Antonella has written to our MP, Rosie Cooper, and an open day is planned for the 25.11.2019, at 11.00am, to which you are all invited! Come and celebrate another step in the right direction with us!

One or two of you have been asking about the Christmas Panto—this year will be different, as is our new tradition.... We will all be going to St George's on 6th January... we'll sort out transport... and the new term will begin with a pantomime there, which is a great way to start the term. It's always tough coming back to school after Christmas, for children and adults... so a right good pantomime gets us going for the new term!

Thanks to you all for your donations towards CIN, and for dressing up.... Please send any more sponsorship money to school next week.

As we approach the excitement of Christmas, we are going to join the Christmas Fair over at Tunley, on Saturday 30th November (I must confess, I can't recall the time, and Antonella's not here to ask!) but we'd be really grateful if the kids could come along and help out on our stall?

To facilitate prizes.... Can we have 2 non uniforms in school, not for money, but for prizes that we can offer.... Anything really.... Chocolate, bottles, cuddly toys.... All donations gratefully received.... The dates of the non uniforms are on the web site, but are Friday 22nd November, and Friday 29th November!

Dates for diary! Have you down loaded the APP, or the website calendar.... All dates are now posted to that, and are not on the newsletter! IF you have any problems with the APP see either myself or Antonella... but I guess in this day in age we're all used to APPS now....

Loads of Christmas Dates are now posted on their.

Well, Antonella and ourselves are getting to grips with the Website, so all dairy dates will be posted on the website now, and on the app.... Much more details to come so that we can all make the best use of it! But for now, download the app please.

Schudio—And put the post code in for mossy lea

WN69RN

And then there you have it... everything about us

Either myself or Antonella is out on training mid November, whence we will be making full use of the website!

Admissions—come and see the school in action!

If you have a child who should start school in September 2020 please ensure that you have read the admissions process on the website at school, book an appointment and come and see us! We won't be holding "open days" as such. Any fool can put on a show.... choosing a school is a massive decision; I want you to meet me, and see our school. Not meet a polished, scripted me and a show. Come and see. We're great. It's time to come back to Mossy Lea.

A couple of repeat reminders...

- *Do you follow us on twitter?
- *Have you got our app? This is actually pretty decent, and important now for us to communicate with you. It links to the school website. It's easy to do.... Download the "schudio" app. Put in Mossy Post Code WN69RN. And you're away. You can access the school calendar from here, which from Christmas will be where we display everything!
- *Unless we get a plethora of objections, from Christmas, we will be email the newsletter to you, rather than send a copy—it's cheaper for us, and probably more convenient for you.... You can read it anytime, anywhere.... And we can email it to who ever you want to.... Aunties, uncles, grandparents etc.... Helping us spread the word that it's time to come back to Mossy Lea.
- *Continue to get sponsorships please for the challenges you may have been completing at home.... Any sponsor money can be sent into school next Friday.
- *Now, sit down... and either download the app, or check out the app.... Check those calendar dates!
