

# MOSSY LEA MESSENGER

Friday 8 November 2019 VIII· XI · MMXIX

Thanks to all of you who came, or have booked into parents' evening. I hope you found the evening useful in support your child's progress, and were as impressed as we are at the progress that your kids are making! I'm so impressed by them. Parent's evening is an opportunity to learn about your child's progress, but to share and celebrate their successes, which in turn re energises and encourages the kids.... The relationship between school and parents is imperative if the children are going to reach, and exceed their potential.

I will just say that I love my job—and the main reason I love my job is because of the greatness of the kids—they really are fab, and thriving—with great personalities!

And finally, keep your eyes open on the reception playground .... Antonella's invested loads in it, and it's going to look amazing! Her dad, and John will be busy building over the next week or so..... With hopefully a grand opening during the election campaign! We'll get Rosie back! Nice work Antonella!

## Dates for diary!

Well, Antonella and ourselves are getting to grips with the Website, so all dairy dates will be posted on the website now, and on the app.... Much more details to come so that we can all make the best use of it! But for now, download the app please.

Schudio

And put the post code in for mossy lea

WN69RN

And then there you have it... everything about us

Either myself or Antonella is out on training mid November, whence we will be making full use of the website!

## Homework Menu

The new homework menu (remember it is a menu—you don't have to do it all!) is now out! . So please, pin it up on the fridge, and crack on with it. Returning by the due date, so that we can celebrate and share the homework in school.

## Admissions—come and see the school in action!

If you have a child who should start school in September 2020 please ensure that you have read the admissions process on the website at school, book an appointment and come and see us! We won't be holding "open days" as such. Any fool can put on a show.... choosing a school is a massive decision; I want you to meet me, and see our school. Not meet a polished, scripted me and a show. Come and see. We're great. It's time to come back to Mossy Lea.

## A couple of quickies...

- \*Do you follow us on twitter?
- \*Have you got our app? This is actually pretty decent, and links to the school website. It's easy to do.....  
Download the "schudio" app. Put in Mossy Post Code WN69RN. And you're away. You can access the school calendar from here, which from Christmas will be where we display everything!
- \*Unless we get a plethora of objections, from Christmas, we will be email the newsletter to you, rather than send a copy—it's cheaper for us, and probably more convenient for you.... You can read it anytime, anywhere....  
And we can email it to who ever you want to.... Aunties, uncles, grandparents etc.... Helping us spread the word that it's time to come back to Mossy Lea.
- \*Continue to get sponsorships please for the challenges you may have been completing at home.... Any sponsor money can be sent into school next Friday.
- \*Next Friday is CHILDREN IN NEED DAY. So—come as Pudsey! Come spotty! Some in Yellow.... Come in non uniform, and send us in £2.00 please. We'll send it of to CIN.
