Welcome back to what is already proving to be a very busy time leading up to our Summer break.

The children had a wonderful time on their outing to Knowsley Safari Park last Wednesday. They were very fortunate to have enjoyed good weather while visiting the animals and it was lovely to see how excited they were.

Thank you to PTFA for organizing the trip and to one of our parents who organized the free coach for us. Also a big thanks to Tyrers coaches for their generosity, we are extremely grateful.

Please visit our website to look at photos of the day. Unfortunately the website doesn't work well on Apple devices due to it using Flash. I have this week signed up for a new website provider. They are currently building this and we will let you know when we are ready to launch. Tempest visited us last Thursday to take school photos which will be with you shortly. Please return orders promptly to ensure they are delivered to school before we break up.

Parent Governor elections — The votes have been counted and Les Burrows and Ryan Elms have been voted on to the Governing Body

PTFA Events/dates—28th June Sports Day 1.30p.m and Summer Fair to follow. We are having a joint sports day this year with Pingawings and hope the community will support our Summer Fair. We would welcome any help you may be able to give.

Just to dispel rumours that are circulating once more— I would like to reassure you all that our school will not be closing in September.
