Our Y6 pupils coped admirably with their SATs tests this week. We are sure they have done their very best and now wait eagerly for the results.

I would like to let you all know that the door is always open for you to come and have a chat about any concerns you may have or comments you wish to make. I have an open door policy and would be more than happy to talk with you at any time. We are working hard to bring our amazing school back on track and it needs the support of everyone to achieve our goal. Thank you for your support.

Iain Pearson –Headteacher

Please remember to send a named bottle of sun cream into school with your child which they can apply during the day to protect themselves. During this warm spell, please make sure they have sun cream on before coming to school. Thank you.
