Read what Mount Carmel parents have to say about Edulink One

> The edulink app is really simple and easy to use, all of the information I want to see such as timetables, homework and achievement or behaviour points are easily accessible. Being able to see what homework has been completed by my child also helps stop me from having to chase it up'.
>
> *Louise, parent of Year 7 Mount Carmel pupil*

> I like the Edulink app, I can check my son's timetable, homework, attendance and I like his past reports being on there. Even his meal choices are shown.
>
> Having a teenage boy I don't always get informed by him about things, so it's nice to be able to check without asking!
>
> *Pam, parent of Year 10 Mount Carmel pupil*

> I think the app is great, especially when they start as it answers a lot of questions you might have at the beginning. It's great for viewing timetables (checking those extras like PE kit & food) achievements, behaviour, catering and attendance. I like that the messsges come through too so I don't need to open emails. I've also never had any issues with the app, it always opens, works, loads everything up and never seems to have any glitches.

Mount Carmel

R.C. HIGH SCHOOL

A family of faith & learning

Edulink

Parent Portal

Edulink One is a secure, user-friendly portal that connects parents with their child's school information in one convenient place.

Checking Edulink each week is one of the best ways to support your child at school, helping you stay informed about their timetable, homework, achievements and key updates while showing them that you are interested in, and supportive of, their education and success.

Android

Edulink key features

Edulink is Mount Carmel's main way of keeping in touch with you.

Soon, all school letters and updates will be sent exclusively through the app and its messaging system and not via text messaging.

Make sure you don't miss important information including;

- **messages & updates**
- **live attendance, achievement and behaviour points**
- **daily homework**
- **timetables**
- **access to your child's school reports**
- **study hub**
- **after school clubs**
- **upcoming trip announcements and updates**

Please ensure you;

- Check in weekly: Log in to the Edulink One app at least once or twice a week.
- Turn on notifications: Enable push notifications on your phone so you get instant alerts.
- Read your messages: Check your in-app messages and linked email regularly.
- Keep details current: Make sure your contact information in the app is up to date. If it needs updating contact the school office.

Need help logging in?

The app is available for Android and Apple phones, just search for Edulink One in an App Store. You will have already received log-in details but if you have forgotten your password just use the password reset link in the app.

If you are still struggling, email office@mountcarmelhigh.lancs.sch.uk with your name, your child's name, and their year group and we will get back to you.
